# WEST END BLEND

VOLUME 10 - 2024

Vanderbilt Recording Studio (VRS) proudly presents the 10th edition of our annual compilation album West End Blend. Each song is an original piece written, performed, and produced by Vanderbilt students. Vanderbilt Recording Studio is a division of Vanderbilt Student Communications, Inc., and offers members the opportunity to learn how to record and produce music for free. VRS also serves as a community for anyone and everyone with a passion for music. In addition to music recording, VRS provides artists an opportunity to perform their original music live at a showcase in the fall semester and at the West End Blend album release show every spring semester.
